

Dear Friends,

Each year, for the past thirty years, we have held our Holiday Memorial Program on the first weekend of December. Last year's program was a bit different, as we held it virtually because of the pandemic. After much deliberation, and with an abundance of caution, we have decided to present the 2021 Memorial Program virtually again. Our Memorial Trees will grace the lobbies of each of our funeral homes, decorated by our staff with the names of the loved one(s) that you choose to submit.

Our Virtual Program will be on our website and ready for your viewing beginning on December 4, 2021, and running continuously until January 8, 2022. This will give you the opportunity to watch it as often as you would like. Simply scroll down to *tributes* and click on *Memorial Program 2021*.

Feel free to gather with a small group of friends and family and take part with us, you may want to set up a candle in advance to join in the candle lighting ceremony. If you have not received an invitation with an ornament for you to display on your tree or somewhere special in your home, please contact us so we can provide one.

We are asking you to help us include your loved one(s) in our program by mailing the following information to the funeral home or emailing the following to [memorialprogram@stellatofuneralhomes.com](mailto:memorialprogram@stellatofuneralhomes.com)

1. Name(s) of deceased for the ornament ribbon on OUR funeral home memorial trees.
2. A photo of your loved one(s) with their name CLEARLY printed on the back for our video. (If we have your photo(s) from last year, let us know and we can use it again.)
3. In anticipation of being able to have our Memorial Program in person next year, please send us the name(s) and address(es) of those who would like to receive an invitation to attend the 2022 Memorial Program.

*If you so desire, you may participate in the "Around the Globe" remembrance program sponsored by "Compassionate Friends", an international group of parents who have lost children. Their annual worldwide candle-lighting ceremony will take place on Sunday, December 12, 2021, at 7pm. At that designated hour, light a candle in your home so that these children will be remembered.*
